Mr. Ron Curry, Secretary
New Mexico Environment Department
1190 St. Francis Drive, Suite N4050
Santa Fe, NM 87505

Dear Mr. ^{Ron} Curry:

Thank you for meeting with us at the Senior Managers Mid year Retreat on June 5, 2007. It was a very productive meeting.

Unfortunately, the schedule was so packed that we didn't get a chance to discuss the Sandia Mixed Waste Landfill, which is currently generating a lot of citizen interest and potential lawsuits. We are working very closely with your Hazardous Waste Bureau to perform an analysis of the monitoring well network and sampling results. We expect to have a final review letter back to you by the end of the summer.

If you have any questions please let me know, or have your staff contact Troy Hill at (214) 665-6647.

Sincerely,

Carl E. Edlund, P.E.
