**Subject:** Mixed Waste Landfill Comment

Dear Mr. Kieling,

CARD supports the comments of Bob Gilkeson and CCNS submitted today concerning the Mixed Waste Landfill. I am sorry this e mail is arriving late in the day, but I have been confused by the fact that you are to be the recipient of public comments but are not available to receive them. I kept thinking that I would receive directions to e mail comments to someone else in NMED.

Best Wishes,  
Janet Greenwald
