To be considered relevant to this matter, written comments must be based on the LTM Plan.

The NMED must ensure that the approved LTM Plan will be consistent with the New Mexico Hazardous Waste Act and Hazardous Waste Management Regulations. Written comments submitted will become part of the administrative record, will be considered in formulating a final decision, and may cause the LTM Plan to be modified. NMED will respond in writing to all significant public comment. The response will specify which provisions, if any, of the LTM Plan have been changed in the final decision, and the reasons for the change. This response will also be posted on the NMED website in addition to NMED notifying all persons providing written comments.

After consideration of the written public comments received, NMED will approve, or approve with modifications the LTM Plan. If NMED modifies the plan, the Permittees shall be provided by certified mail a copy of the modified plan and a detailed written statement of reasons for the modifications. The NMED will make the final decision publicly available. The NMED's decision shall constitute a final agency decision. All persons on the mailing list, or that provided written comments, or who requested notification in writing, will be notified of the final decision by mail.

The final decision will become effective immediately upon service of the decision to the Permittees, unless a later date is specified.
