

Sandia National Laboratories  
Mixed Waste Landfill  
Long-Term Monitoring and Maintenance Plan  
Public Comment

Name: Veronica Cruz  
Address: 2446 PALOMAS Dr NO  
City: Albuquerque N.M  
Zip Code: 87110

Just I want to say :  
Please, make a plan for  
another meeting and include  
Spanish language. because  
The Spanish community don't  
have information about the water  
contaminants, and all the necessary  
information about the problem  
with the water. because they  
don't understand English  
We also are part of New Mexico.
