SANTA FE, NM-- The New Mexico Health and Environment Department will hold a public meeting in Albuquerque on January 18, 1988 to present information regarding the department's process for reviewing hazardous waste permit applications. The meeting will take place from 6:30 PM to 10:00 PM at Cibola High School, 1510 Ellison Road NW.

According to C. Kelley Crossman of the Environmental Improvement Division's Hazardous Waste Section, the public meeting will focus on an application for a hazardous waste post-closure care permit submitted by Sparton Technology.

The event will not be a formal public hearing. The informal informational gathering will include a briefing by EID staff concerning the hazardous waste permitting process and the contents of the permit which will be issued to Sparton.

Interested persons are welcomed to attend the meeting and ask any questions they have regarding this subject.
