Dear Mr. Ellvinger:

Enclosed please find the HSWA draft permit for Sparton Technology, Inc. that EPA developed in conjunction with the State's RCRA draft permit. Preliminary comments received from your staff are incorporated into this draft document.

The enclosed is to serve as EPA's portion of the facility's draft permit for the State's issuance of joint public notice. Please contact Marc Sides of my staff at 214-655-6785 if you have any questions.

Sincerely yours,

Sam Becker P.E.
