RE: Draft Permit  
NMD083212332-1

Dear Mr. DeWitt:

Enclosed for your information is a draft of the Sparton Technology, Inc. Post-Closure Care Permit. I plan to formally present the draft to Sparton and the public on or about July 23, 1989, for review and comment. Please provide any comments you may have by July 14, 1989, if possible, so that I can consider them for the final draft. As I explained by phone, the parameter tables are still under review to eliminate unnecessary ones and ensure all parties' interests are met.

If you have any questions please call me at (505) 827-2923.

Sincerely,

*C. Kelley Crossman*
