Ms. Susan Collins
Hazardous and Radioactive Materials Bureau
New Mexico Environment Dept.
P.O. Box 26110
525 Camino de los Marquez
Santa Fe, NM 87502

Dear Ms. Collins,

Enclosed is the information you have requested as per our telephone conversation on June 18, 1992. This information was taken from Sparton Technology's Inc. RCRA Post-Closure Permit Application, March 1986. The information included is:

1. Attachment 8, Apen. A, Post-Closure Quarterly Inspection Report
2. Attachment 8, Apen. B, Post-Closure Care Costs.
3. Attachment 8, Apen. C, Alternative Ground-water Monitoring Program.
4. Attachment 8, Hazardous Waste Facility Post-Closure Care Plan, December 17, 1985.
5. Attachment 4, Apen. C, Ground-water Sampling and Analytical Protocol.

If you have any questions concerning this matter please feel free to call me at 892-5300 ext. 151.

Sincerely,

John M. Wakefield
