RE: Final RFI Report
Sparton Technology, Inc.
Coors Road Facility,
Albuquerque, New Mexico

Dear Mr. Appel:

In response to our telephone conversation with Mr. Vincent Malott of U.S. EPA Region VI on July 1, 1992, we are furnishing a new page 63 for substitution into the RFI Report.

We have hand delivered six copies of this revised page to U.S. EPA on this date. By copy of this letter, we are transmitting the revised page to the remainder of the distribution list.

Sincerely,

HDR ENGINEERING, INC.

Pierce Chandler, Jr., P.E.
