Dear Mr. Horst:

Sparton Technology, Inc. is responding to a telephone conversation with Mr. Ron Kern of NMED on 4-6-93. Mr. Kern informed us of our requirement to notify NMED not less than 7 days of any ground water sample collection activity. Sparton Technology, Inc. will commence sampling on April 14, 1993 for the second quarter, 1993 Alternate Ground Water Monitoring Program. Henceforth we will notify NMED prior to our quarterly sampling events.

If you have any questions please contact John Wakefield or myself at (505) 892-5300. Thank you for your attention to this matter.

Sincerely,
SPARTON TECHNOLOGY, INC.
