RE: Split Sampling Event, January, 1996

Dear Mr. Mico:

Enclosed you will find copies of the Scientific Lab Division's results for the samples collected in January of this year by the New Mexico Environment Department (NMED) and Sparton Technology (Sparton). NMED appreciates Sparton's cooperation in this sampling event. NMED requests that Sparton notify us prior to additional off-site sampling events.

If you have any questions about the results, please contact me at 827-0178.

Sincerely,

A handwritten signature in black ink that reads "Rob Pine".
