RE: SVE Publications

Dear Mr. Chandler:

Enclosed you will find a paper on Soil Vapor Extraction (SVE) design from Ground Water Monitoring Review (GWMR) and an excerpt from an EPA interim guidance document titled "Guide for Conducting Treatability Studies Under CERCLA: Soil Vapor Extraction". The reference section in the paper from GWMR contains several good additional papers dealing with SVE design.

Sincerely,

A handwritten signature in cursive script that reads "Rob Pine".

Rob Pine  
Hydrologist  
Assessment & Abatement Section
