Re: Soil Vapor Recovery Well Installation Schedule
Sparton Technology, Inc.
Coors Road Facility
Albuquerque, New Mexico

Dear Rob:

This letter is confirming changes to the soil vapor recovery well schedule proposed in our letter of January 27, 1997. The drilling contractor was unavailable Monday, February 3, 1997, as originally planned. Installation is now expected to begin mid-morning on Wednesday, February 5, 1997.

If you have any questions, feel free to call either me or Gary Richardson at Metric.

Sincerely,

BLACK & VEATCH
