Re: Notice of Initial Compliance Test for Permit No. 00442.

Dear Mr. Mathew:

Sparton Technology intends to conduct the seven day initial compliance test on our Coors Road Facility Soil Vapor Extraction System on Wednesday, April 15, 1998 at 2:00 pm. Gas samples will be taken at the three sampling points stipulated in our Air Quality Authority-to-Construct permit No. 00442. Our sampling equipment will be set up so that you can take split samples if needed.

If you have any questions please feel free to call John Wakefield at 892-5300.

Sincerely,
SPARTON TECHNOLOGY, INC.
