COMMENTS:

Regarding participation in July 14, 1998, meeting with Pierce Chandler concerning soil gas contamination:

- Call will be 9 to 12 Central Time, 10 to 1 Eastern Time, and 8 to 11 Mountain Time.
- At your appropriate starting time, dial 202-260-8330 followed by "8391#" after the recorded operator prompt. The only problem is I could not get additional call-in capabilities after the times above. So, hopefully we will end within the above time. If not, I will just have to debrief everyone after we finish.
- Dennis, I assume you will ensure that Baird receives this since he is out of pocket and I am not sure he will see this fax.
- Any questions, please yell. Still have not received the anticipated package from Pierce re: this issue.

Thanks, Mike Hebert
