Re: Notice of SVE Emission Test

Dear Mr. Mathew:

Sparton Technology intends to conduct an SVE Emission test on our Coors Road Facility Soil Vapor Extraction System on Wednesday, Aug 5, 1998 at approximately 2:00 pm. Gas samples will be taken at two sampling points, SVE influent and effluent. EPA method 8260 will be used for the analysis of these 2 gas samples. Our sampling equipment will be set up so that you can take samples if needed.

If you have any questions please feel free to call John Rose at 892-5300 ext. 258.

Sincerely,
SPARTON TECHNOLOGY, INC.
