Carl:

To keep you up to speed on due dates:

- Attached is a note from Mike Hebert confirming the 29th as the due date for the Annual report comments. It is based on 45 days from when the registered copy was received by me.
- Using the same basis, Mike and I agreed on the phone (yesterday) that the response to the financial assurance comments are due October 3rd.

Tony,

By my count, Sparton responses to the 8-9-2000 letter from EPA/NMED concerning comments on the Annual Report, etc. are due on 9-29-00.

Hebert
