Dear Mr. Warder:

Attached are revised page 11 and the Table of Contents of the Sparton Post-Closure Permit Application which was submitted on September 5, 2000. These pages have been revised in response to your comments. Section 3.7 cited 40 CFR 270.14(c)(8) as did Section 3.8. The section 3.7 citation should have been 40 CFR 270.14(c)(7). This has been changed on page 11 and in the Table of Contents.

If you have any questions, please contact us.

Sincerely,

METRIC Corporation
