Certification of Completion – Source Containment System

Dear Mr. Hebert,

On behalf of Sparton Technology, Inc. (Sparton), I am pleased to advise that construction of the Source Containment System was completed on 01/03/2002.

This letter is provided to advise you that the system was constructed in substantial compliance with the Design Plans and Specifications. These documents will be included in the package "Preliminary Operation and Maintenance Plan" which will be provided to all concerned parties, be available for inspection at 9621 Coors NW, Blvd B, Albuquerque NM 87114 as of February 1st 2002.

If you have any questions concerning the report, please contact me.

Sincerely,

Seal of Tony Hurst
Professional Engineer – Hurst Engineering Services
