RE: Review of Sparton Technology, Inc. Draft Post Closure Care Permit; EPA ID Number:
NMD083212332

Dear Mr. Kieling:

On April 31, 2002 the Environmental Protection Agency (EPA) Region 6 received a request from the New Mexico Environment Department, Hazardous Waste Bureau, Permits Management Program to review the Sparton Technology, Inc. Draft Post Closure Care Permit.

EPA has reviewed the draft post closure permit and has determined it is compliant with post closure care permit protocol.

If you have any questions about EPA's determination please contact James Harris of my staff at (214)665-8302.

Sincerely,

A handwritten signature in black ink, appearing to read "Laurie F. King".
