RE: Sparton Technology, Inc. Post-Closure Permit EPA ID# NMD083212332

Dear Chris:

This letter is in response to three concerns noted in the "Corrective Action Compliance Evaluation Inspection Report" (site inspection conducted on 9-15-08 and close-out meeting on 9-18-08 concerning the subject site.

First, the failure to notify New Mexico Environment of the facilities legal owner mailing address change has been addressed by the attached certified letter to James P. Bearzi.

Second, the small crack in the capped area has been repaired, as identified in photo 1 taken on Oct. 15, 2008.

Third, the minor erosion around the pads of monitoring wells MW-72 and MW-73 has been repaired, as identified in photos 3&4 taken on Oct. 15, 2008.

If you have any questions, please contact me.

Sincerely,
METRIC Corporation

Santa Fe, NM 87505

RE: Sparton Technology, Inc. Post-Closure Permit EPA ID# NMDO83212332

Dear Mr. Bearzi:

In accordance with 40 CFR 270.42 (a) (1), which has been adopted by reference by the New Mexico Environment Department, Sparton Technology, Inc. (the legal owner and operator of the subject facility) is notifying you that the facilities legal owner mailing address will change to:

Sparton Technology, Inc.
2400 E. Ganson St.
Jackson, MI 49202

effective on the date of this letter.

The address change is necessary because Sparton Technology, Inc. has discontinued all administrative activities in New Mexico.

If you have any questions, please contact the site contact, Gary L. Richardson at (505) 866-1602

Sincerely,
Sparton Technology, Inc.

Richard Langley, President
