Gentlemen:

Our consultants S. S. Papadopoulos & Associates, Inc. (SSP&A), notified us last week that Dr. Papadopoulos' unforeseen absence for 10 days to attend to a personal matter prevents him from being directly involved in completing the Sparton Technology, Inc. Former Coors Road Plant Remedial Program 2017 Annual Report in time due by June 30, 2018. Therefore, we would like to request a two-week extension to July 14, 2018.

Sincerely;

Ernesto Martinez
Corporate EHS Manager
