**SUBJECT: UPDATED PART A PERMIT APPLICATION
SPARTON TECHNOLOGY, INC., ALBUQUERQUE, NM
EPA ID# NMD083212332**

Dear Mr. Boyd:

The New Mexico Environment Department (NMED) hereby requires Sparton Technology, Inc. (the Permittee) to submit an updated Part A Permit Application comprising the RCRA Subtitle C Identification Form and the Hazardous Waste Permit Part A Form. This is to update the Part A Application previously submitted by the Permittee, since it did not contain the Hazardous Waste Permit Part A Form. Further, NMED understands that Mr. Ernesto Martinez is no longer the Site Contact Person.

Therefore, the Permittee must submit the updated Part A Form with a cover letter requesting a Class 1 permit modification pursuant to General Permit Provisions for Administrative and Informational Changes for the facility mailing address and personnel staffing changes, as specified at Appendix I to 40 CFR §270.42(A)(1). The updated Part A Application must contain all information required by 40 CFR §270.13(a-f).

The Permittee must submit the requested information both in hard copy and electronically on CD to NMED no later than February 26, 2021.
