Mr. Edward Horst
New Mexico Environmental Department
525 Camino de Los Marquez
Santa Fe, New Mexico 87502

Dear Mr. Horst:

As per our meeting on December 10, 1993, enclosed find a completed Part A Application, Hazardous Waste Permit, for a waste pit remediation at Transwestern Pipeline Company Roswell Compressor Station. Submittal of this application completes the requirements of Item 1, as identified in our December 15, 1992 letter addressing submittal dates of specific information pertaining to remediation and closure of the above mentioned pit.

Should you require any additional information, I can be contacted at our Roswell Technical Operations Office at 625-8022.

Sincerely,

Larry Campbell
Compliance Environmentalist
