**RE: Request for Extension
2019 Financial Assurance Package
Roswell Compressor Station No. 9
Transwestern Pipeline Company
Roswell, Chaves County, New Mexico
EPA ID No. NMD986676955**

Dear Mr. Kieling;

As per our email communication with Ms. Vanessa Colon of your office, Transwestern Pipeline Company (Transwestern) would like to request a 30-Day Extension for submittal of the 2019 Financial Assurance Package (Package) for its Compressor Station No. 9 Project located in Roswell, New Mexico. Transwestern requests this extension as Table 1.1.9 is not due to be finalized by the Bureau of Economic Analysis with the 2018 Implicit Price Deflator until March 28, 2019 leaving little time to update the Closure/Post-Closure Cost Estimate and associated letters containing that information.

Additionally, Transwestern received a second set of comments to its 2018 Financial Assurance Package from your staff on March 22, 2019. The additional time will allow for Transwestern to communicate formally with your staff and its corporate entity to finalize requested changes on the 2018 Package that will also apply to the 2019 Package

If you have any further questions or comments regarding these responses, please do not hesitate to contact me at (210) 870-2725 or JD Haines of EarthCon Consultants, Inc. at (317) 450-6126.

Sincerely,

Ms. Stacy Boultinghouse, PG
Environmental Manager
Transwestern Pipeline Company, LLC
