LEGAL NOTICE # 86

NEW MEXICO ENVIRONMENT DEPARTMENT
 HAZARDOUS AND RADIOACTIVE MATERIALS BUREAU
 Santa Fe, New Mexico 87502

April 4, 1996

NOTICE OF INTENT TO PERMIT A HAZARDOUS WASTE DISPOSAL FACILITY

The State of New Mexico is authorized to operate a hazardous waste management program in lieu of the Federal program for those portions of the Resource Conservation and Recovery Act (RCRA) in effect prior to the enactment of the Hazardous and Solid Waste Amendments of 1984 (HSWA). The HSWA impose additional requirements on hazardous waste management facilities which will also be administrated by the State of New Mexico since it received additional authorization effective January 2, 1996.

Under authority of the New Mexico Hazardous Waste Act (NMSA) 1978 §74-4-1 et. seq. (Repl.Pamp. 1993) as amended, 1989, and the New Mexico Hazardous Waste Management Regulations (20 NMAC 4.1, Effective September 23, 1995), the New Mexico Environment Department (NMED) can approve or deny permit applications. NMED has received a permit application submitted by **Gandy Marley Inc.**, EPA I.D. Number NM0001002484, for their Triassic Park Hazardous Waste Disposal Facility.

The Administrative Record for this permit application consists of the permit application, a fact sheet, and related correspondence.

The Triassic Park Hazardous Waste Disposal Facility draft permit may be reviewed at:

An informal public meeting on the Triassic Park Hazardous Waste Disposal Facility draft permit has been scheduled for April 22, 1996. This meeting will be held at the Chaves County Health Building in Roswell, 200 East Chisum Street, Door Number 4. The meeting will start at 6:30 pm and end at 8:30 pm of the same evening. Everyone is invited to attend the informal public meeting.

Any person who wishes to comment upon the draft Permit or to request a public hearing should submit written comments and requests, along with the commenter's name and address, to Barbara Hoditschek at the Santa Fe address. Requests for a public hearing shall state the nature of the issues proposed to be raised in the hearing and the name and address of the commenter. Only comments and/or requests received by **May 23, 1996** will be considered. NMED will provide a thirty (30) day notice of a public hearing, if scheduled.

NMED must ensure that the approved draft Permit is consistent with the New Mexico Hazardous Waste Management Regulations for Operating Permits. All written comments submitted on the draft Permit will be considered in formulating a final decision. NMED may modify the draft Permit based on the comments received from the public. NMED will notify Gandy Marley Inc., and each person who submitted a written comment during the 45 day public comment period (April 8 through May 23, 1996), of the final decision.

After consideration of all written comments received, NMED will approve, or modify and approve the draft permit. If NMED modifies and approves the draft permit, then NMED shall provide Gandy Marley Inc., with a detailed written statement of reasons for the modification and the modified draft permit will become the approved permit. A copy of the modified permit with a detailed statement of the reasons for the modifications will be mailed to Gandy Marley Inc.
