MEMORANDUM

TO: Benito J. Garcia, Chief, HRMB
FROM: Barbara Hoditschek, ^{RM} Manager
RCRA Permits Management Program
DATE: 8/21/96
SUBJECT: Call to Betty Richards regarding meeting on
the Triassic Park Hazardous Waste Draft Permit

=====

I spoke to Betty Richards today as you requested, and I told her NMED is preparing to hold a hearing on the Triassic Park Hazardous Waste Draft Permit. I told her the date and place have not been determined as yet and that she and other citizens on our mailing list including those who attended the HRMB meeting will be notified when the date and location are determined.

I also asked her if she still wanted to meet with HRMB and she indicated "no". I then ask her to fax to us a written letter stating she did not want a meeting with HRMB. She said she would do this tomorrow August 22, 1996.
