Contract No. 97/667.50/002

STATE OF NEW MEXICO
NEW MEXICO ENVIRONMENT DEPARTMENT
Professional Services Contract

This contract made and entered into by and between the State of New Mexico Environment Department (NMED), hereinafter referred to as the "Department" and A. T. Kearney Company - hereinafter referred to as the "Contractor."

IT IS MUTUALLY AGREED BETWEEN THE PARTIES:

Article 1. SCOPE OF WORK

The Contractor shall review all engineer design submittals and specifications included in the revised permit application dated March 14, 1996 and submitted by Gandy-Marley to the New Mexico Environment Department. The Contractor shall assess whether or not the submittals satisfy the requirements for engineer/design criteria to all applicable Resource Conservation Recovery Act (RCRA) regulations under 40 CFR. The Contractor shall specify the appropriate regulatory citation if a deficiency in the submittal is identified and the appropriate information needed to satisfy the noted deficiency. The assessment shall be conducted by certified professional engineers and professionals with appropriate RCRA experience as approved by NMED. (See attached Work Plan - Exhibit A).

Article 2. COMPENSATION

A. The total amount of this contract shall not exceed \$19,593.00. All travel costs incurred by the Contractor are included in the total costs. Partial billings will be allowed upon satisfactory completion of the Work Plan events, Projects and Task (p4) Exh. A.
