Carl,

Here is a revised version of the WAP for Triassic Park. You can disregard
the previous one that I sent you. I have tried to clean this up and I
think I got everything corrected. I am sending it in Word and Wordperfect.
 If you have Word that is the better looking of the two files. For some
reason when I convert to Wordperfect it tends to hose the formatting.

Give me a call if you have questions.

Trey

Triassic Park WAP.doc	**Name:** Triassic Park WAP.doc **Type:** Microsoft Word (application/msword) **Encoding:** base64 **Description:** Triassic Park WAP (Microsoft Word Document)

Gmi-wap.wpd	**Name:** Gmi-wap.wpd **Type:** WordPerfect (application/wordperfect5.1) **Encoding:** base64 **Description:** Gmi-wap (WordPerfect Document (6.1) File)
