Re: Revised Part A Form for Landfill Capacity Triassic Park Facility.

Dear Ms. Kruse:

Per your request attached you will find the revised form for the Part A Permit Application. The revised form corrects the volume discrepancy for the Phase IA Landfill. This is now consistent with the Drawings and Permit text.

You will also find the calculations that support the quantities for all the units included at the site.

If you have any questions or concerns in this regard please feel free contact me at (970) 879-6260.

Sincerely,

Montgomery Watson

Patrick Corser, P.E.
