Dear Mr. Gandy:

Enclosed please find the draft RCRA permit for the Triassic Park Waste Disposal Facility. You will find inside the cover of Volume 1 both a Fact Sheet and a Public Notice. The Fact Sheet outlines the salient aspects of the permit. The Public Notice describes the process for both providing public comment and requesting a Public Hearing. A copy of the draft permit may also be viewed at the NMED Hazardous Waste Bureau web site and by following the *Permits/Draft Permits* link.
