RE: TRIASSIC PARK - DELIVERY OF DRAFT PERMIT

Dear Mr. Gandy:

Enclosed please find the draft RCRA permit for the Triassic Park Waste Disposal Facility. On March 15, 2001, NMED issued another version of the draft permit. That version was found to have been an incorrect version, so public notice of it was rescinded on May 17, 2001.

You will find inside the cover of Volume 1 both a Fact Sheet and a new Public Notice. The Fact Sheet outlines the salient aspects of the permit. The Public Notice describes the process for both providing public comment and requesting a Public Hearing. A copy of the draft permit may also be viewed at the NMED Hazardous Waste Bureau web site and by following the *Permits/Draft Permits* link.

A copy of the draft permit has been provided to both the Tatum Town Hall and the Roswell Public Library for public display.
