Subject / Notes :

Steve

Enclosed are copies of the sign in sheets from Hagerman and the questions that were asked.

I will be reviewing all the questions from the (4) meetings and will send you a list of the ones, I feel are new and were not answered from the May meeting.

Please review and let me know if you agree so that I can get our team to provide responses

Thanks
Ken

Hagerman Meeting Questions

- * Types of wastes that will be accepted
- * Combination of ~~chemicals~~ ^{chemicals}, in the guidelines
- * Will we accept DOE waste ⁽²⁾, sarin gas (Nerve gas)
- * Are the regulations strict enough to protect us in future
- * What studies have been done about facilities like this with regard to give people assurance that the ponds will not pollute the air.
- * What else will be put in the air because of evaporation.
- * How will we get water and where will it come from.
- * How are ponds monitored
- * Length of time for the facility to be operating
- * Is CURE putting out accurate information in their literature
- * If people don't ~~to~~ want the permit issued will it still be issued

- * Were any sites looked at outside of Chaves & Lee Counties
- * Studies regarding the length of time that these facilities are safe.
- x Need for this facility with one so close to us in Texas
- * Is the bottom line just making money.
