RE: TRIASSIC PARK – NEW FACT SHEET

Dear Ms. Richman:

Could you please replace the Triassic Park Fact Sheet currently in your office with the one enclosed with this letter (dated August 15th)? The Fact Sheet resides inside Volume I's front binder cover. The revised Fact Sheet reflects a change to the list of prohibited wastes, specifically the removal of municipal solid waste and construction and demolition wastes from that list.

Thank you again for your assistance with the multiple administrative issues you've helped me with. If you have any questions, please don't hesitate to call me at 505 428-2544.

Sincerely,

Steve Pullen
Triassic Park Project Manager
