COMPANY: U. S. Fish and Wildlife.
FAX NO.: 505 346 2542

MESSAGE: Ms. Nicholopoulos:

In response to a telephone conversation with Ms. Davidson earlier today, I am sending copies of the Triassic Park Fact Sheet and a New Mexico Department of Game and Fish September 20, 2001 letter regarding Triassic Park. The Fact Sheet sets forth the location of the proposed hazardous waste facility. The New Mexico Environment Department (NMED) is requesting that USFWS review NM Game and Fish's review and comment on the proposed facility and provide in writing if USFWS concurs with NM Game and Fish's determinations. A public hearing will be held regarding the proposed facility on October 16, 2001. Attention to this matter is greatly appreciated.
