**Teresa Davis Mc Kee**

Describe your regular job duties.  
 Emphasize you have no involvement with the permitting process of the facility and you are not a regular employee of Gandy Marley, Inc.(GMI), nor are you an employee of NMED.

Due to public interest, this public meeting for the draft permit for the Triassic Park Hazardous Waste Disposal Facility is being held and hosted by Gandy Marley, Inc.(GMI).

GMI has submitted an application for construction and operation of a hazardous waste disposal facility to the New Mexico Environment Department's(NMED)Hazardous Waste Bureau. The NMED will approve or deny GMI's permit application pursuant to the New Mexico Hazardous Waste Management Regulations.

Gandy Marley, Inc. has requested that I attend this meeting to serve as facilitator.

The primary purpose of this meeting is to serve as a forum for information exchange. The meeting **Is NOT being tape recorded and there will be no transcripts made available and no oaths will be sworn.**

**Agenda - 6:00 PM to 9:00 PM**

**GMI Presentation** *90-120 minutes approximately*  
**Public Comments, Q & A - 30 minutes or longer if needed**

# TRISSAC PARK RCRA PERMIT

## PUBLIC INFORMATION MEETING

### SUGGESTED GROUND RULES

1. Turn off all audible signals from all cell phones and pagers.
2. If you have not signed the attendance sheet, please do, so we can provide a copy to the hearing officer.
3. Any person wishing to speak - *come towards the front* - Raise your Hand- receive recognition from me before speaking. - *Microphone.*
4. Introduce yourself, and let everyone know if you are speaking on your own behalf or for an organization that has given you permission to speak on their behalf.
5. Don't interrupt - listen and speak with respect.
6. Do not ask a question that has already been asked.
7. You will have up to **5 minutes** to state your question or make your statement.
8. Speak **personally**, not for someone else.
9. Confront respectfully, you can be as hard on ideas as you need to be so long as you are courteous to people, and do not get personal.

The mission of this public meeting is to engage in open and honest discussion to gain better knowledge and an understanding about the proposed hazardous waste treatment, storage and disposal facility, Triassic Park, and its' operating requirements.

You are encouraged to listen to the presentations with understanding and to voice your honest questions without fear of being criticized.

This is not a formal hearing so there is room for some flexibility; however, order will be maintained and we will stick to the agenda *as best we can - time wise*
