Dear Mr. Pullen:

This letter is to follow up on a technical directive discussed with me on October 22, 2001. During that discussion, NMED asked TechLaw to add South West Sound/Video as a subcontractor to the General Support Contract. NMED wishes to utilize South West Sound/Video as a language interpreter for an informal meeting which will be occurring the 24th or 25th of October. This work will be provided under the existing contract Task 06 which provides for assistance during public meetings and public hearings.

Enclosed is an e-mail sent to Mr. Jim Ficklin of South West from Mr. Robert Heath of TechLaw, Inc. on Monday October 22, 2001, regarding the subcontract work.

If you have any questions, please feel free to call me at (303) 716-3704.

Sincerely,

June K. Dreith  
Program Director
