FAX COVER SHEET

DATE: March 18, 2002

TO: Heather Green

FAX NO.: 989-3769

MESSAGE: Ms. Green:

Please find attached a copy of the Secretary's Final Order in the matter of the Draft Final Permit for the Triassic Park Waste Disposal Facility, U.S.EPA No. NM0001002484, HRM 01-02 (P). A hard copy of the Order along with a copy of the Hazardous Waste Bureau's (HWB) Response to Comments will be mailed to you tomorrow. If you require a copy of the Response to Comments immediately, you may obtain a copy at the Hazardous Waste Bureau during regular business hours.

The responses contained in the attachment were drafted prior to the Secretary's issuance of the Final Order in this matter. The HWB will issue a revised Response to Comments to reflect the Secretary's Final Order prior to the effective date of the Final Permit (i.e., April 17, 2002).

The version of the Permit reflecting the Bureau's proposed changes based on the Hearing is still available on the Bureau web site. We anticipate it will require approximately 14 days to incorporate the Secretary's Order requirements, print the necessary hard copies of the Permit, and post the final version of the Permit on the web.
