RE: TRIASSIC PARK - DELIVERY OF FINAL PERMIT

Dear Mr. Gandy:

Enclosed please find the final Permit for the Triassic Park Waste Disposal Facility. The Permit and a Response to Public Comment may be viewed in the reference section of the Roswell Public Library, at the Hazardous Waste Bureau, or on the NMED web page at (www.nmenv.state.nm.us/HWB/tpperm.html). The effective date of this Permit is April 17, 2002. The HWB will at all times maintain the official version of the Permit.

The Permit has a number of compliance schedule requirements that must be met prior to first receipt of waste. Please also notify me when the construction schedule is finalized.

If you have any questions or comments, please feel free to contact me or my staff at (505) 428-2500.

Sincerely,

John E. Kieling
Manager
Permits Management Program
