Good Morning!

The New Mexico Environment Department will host the **69th WIPP Quarterly Review meeting**, currently scheduled for **Tuesday, January 18, 2000, at 8:30 AM**. This is a change from the tentative date proposed at the previous quarterly, due to a rescheduled DOE audit at Hanford which would conflict with that date. It will be held at the NMEMNRD conference room, as usual.

By this letter I am soliciting agenda items to follow the usual status/activity reports from DOE, EEG, NMED and NMEMNRD. Please provide me (827-1560, ext 1013, or fax 827-1544) with your suggestions for topics, presenters, and time allotment by Friday, January 7, so I can create a draft agenda and return it for your review. Thanks for your help, and stay warm!

Sincerely,

Steve Zappe
