

Subject: HPIC**Date:** Fri, 07 Jan 2000 10:33:09 -0700**From:** "Bob Weeks, DOE Oversight Bureau, NMED" <Bob_Weeks@nmenv.state.nm.us>**To:** steve_zappe@nmenv.state.nm.us**CC:** sanders_larry@lanl.gov, Tim_Michael@nmenv.state.nm.us,
David_Englert@nmenv.state.nm.us

Steve-

In your request for agenda items, here are a couple for consideration:

1. Environmental monitoring via an HPIC as currently employed in the NEWNET system. Suggested presenter: Larry Sanders (LANL)/20 minutes.

2. Comments concerning any TLD monitoring other than that presently being performed by the DOE OB. Suggested presenter: Tim Michael/20 minutes.
