Good Morning!

This is the third and final notice concerning the upcoming 69th WIPP Quarterly Review meeting. The meeting will be held **Tuesday, January 18, 2000, at 9:00 AM**, and will be held in the **main conference room** on the second floor of the NM Energy, Minerals, and Natural Resources office at 2040 South Pacheco, Santa Fe. Breaking with tradition, I will provide coffee this time, Lokesh.

Attached is the final agenda which also reflects DOE's input, particularly to defer a couple of topics to a future technical exchange. Action items from the previous Quarterly meeting include DOE scheduling a technical workshop on waste characterization, and development of a WIPP Waste Information System (WWIS) User Group.

Any questions? Call me at 827-1560, x1013, or e-mail me at <steve_zappe@nmenv.state.nm.us>.

Sincerely,

Steve Zappe
