Dear Mr. Marcinowski:

The Carlsbad Area Office (CAO) acknowledges your letter of December 20, 1999, that contained the Environmental Protection Agency (EPA) Reports of the CAO audits of Sandia National Laboratories (SNL) and Los Alamos National Laboratory (LANL), both which were conducted the week of November 8-12, 1999. The Inspection Reports indicate that EPA identified no findings or concerns in either report and that no further action is required of CAO.

If you have any questions on this matter, please contact Sam Vega of my staff at (505) 234-7423.

Sincerely,

Barbara Edmett
