Mr. Zappe:

I need a couple pieces of information to support permitting work at the WIPP facility, as we discussed in our phone call earlier today. Specifically, I need a copy of Mr. Don Hancock's comments on the Final Audit Report for the Rocky Flats Environmental Technology Site. I also need an electronic version of the spreadsheet used by NMED to calculate VOC emission rates from the WIPP facility.

Please send the comments on the audit report to:

Please send the spreadsheet by e-mail to kehrmab@wipp.carlsbad.nm.us

Thanks in advance for your response.
