Don -

Attached is the approved Waste Stream Profile Form received yesterday afternoon. This afternoon they finally completed the shipment approval, so I've also included the Shipment Summary Report. I understand this will leave RFETS this afternoon at 6 PM. No other containers have been input into the WWIS for RFETS as of 2 PM.

I will be out of the office next week during spring break. Call me on March 20th if you have additional information needs that I can help you with.
