

Subject: WIPP Hazardous Waste Proposed Modifications

Date: Mon, 01 May 2000 18:40:46 -0600

From: "Charles C. Thomas, Jr." <chatho@mail.cybermesa.com>

To: "Steve Zappe" <steve_zappe@nmenv.state.nm.us>

Dear Mr Zappe:

I have received the material on the proposed modifications. Based on my experience I find that the proposals on ground water testing, waste container examination, and VOCs are reasonable. With respect to waste container examination, I would suggest that an arrangement where New Mexico personnel would be notified that a facility was scheduling waste packaging and would be go to the facility to observe the operation would negate the need for extensive reexamination at WIPP.
