RE: Request for WIPP-related information

Welcome back!

Please fax me the following:

- 1) Current WWIS information about shipments from Rocky Flats since RF000014.
- 2) Any additional WWIS information about waste containers at Rocky Flats in process for shipment to WIPP and the WWIS information about any shipment(s) scheduled to come to WIPP.
- 3) The Hanford Waste Stream Profile Form that NMED received last week.
- 4) Any information in the WWIS regarding upcoming shipments from, or waste information about, sites other than Rocky Flats.
- 5) The nine-page letter of June 22, 2000 from DOE regarding Rev. 1 of the Hanford pre-existing data description.

I understand that you have received no draft of final Waste Stream Profile Form, other than RF002.01 and the Hanford Waste Stream Profile Form (#3 above). I would remind you of my previous requests for such forms, when they are received.

I would also appreciate receiving a copy of any further correspondence or decisions between NMED and DOE regarding the preexisting data at Hanford.

Thank you very much for your cooperation.
