SUBJECT: Audit (A-00-14) of the Waste Isolation Division (WID) – Limited Scope

TO: Joe Epstein, General Manager, Westinghouse WID

Please be advised that the Carlsbad Area Office (CAO) has elected to limit the scope of the previously scheduled audit. This determination is based on the impending fiscal years' end and the resulting changes that may occur to the M&O contract. Accordingly, this audit notification memorandum supersedes the previous memorandum dated July 6, 2000 (CAO:QA:SAV:VW:00-0833A UFC 2300).

A team of auditors from the CAO will conduct the subject audit at the WIPP Site August 7-8, 2000. The audit will be conducted in accordance with the attached revised audit plan. Observers from the EPA, EEG and other interested parties may also accompany the audit team. The checklists for the audit will be transmitted to your representative prior to the audit.

You are requested to provide the resources necessary to coordinate with the audit team and arrange for appropriate space to conduct meetings, provide cognizant personnel to support the audit, and provide the audit team with access to appropriate documentation and records.

If you have any questions concerning the audit, please contact me at (505) 234-7423.
