Steve,

Glad to hear that you're getting some more help.

Please fax me the following:

1. WWIS information about shipments to WIPP since RF000025. Also, please provide the receipt date for RF000025. 8/11/2000
2. The current repository report and any information about impending shipments from Rocky Flats, Hanford, or INEEL.
3. I remind you of my standing request for any draft or final Waste Stream Profile Forms.

Thanks for your assistance.

Don -

As requested. Also attached is a questionnaire I had regarding several shipment reports. I'll let you know the outcome next time I send you stuff.
