**RE: REQUEST FOR PAYMENT OF FEES, CORRECTIVE ACTION WORK PLAN AND SAMPLING AND ANALYSIS PLAN
WIPP HAZARDOUS WASTE FACILITY PERMIT
EPA I.D. NUMBER NM4890139088**

Dear Dr. Triay and Mr. Epstein:

The Hazardous Waste Bureau (HWB) of the New Mexico Environment Department (NMED) has received and reviewed two documents prepared by the Department of Energy and Westinghouse (Permittees) as required by Module VII (Permit Conditions VII.M .1 and .2) of the Hazardous Waste Facility Permit issued for the Waste Isolation Pilot Plan (WIPP) in October 1999. The two documents are titled: 1) "WIPP Facility Work Plan for Solid Waste Management Units and Areas of Concern", received by NMED on February 24, 2000 (report dated February 2000) and 2) "WIPP Sampling and Analysis Plan for Solid Waste Management Units and Areas of Concern", received by NMED on May 24, 2000 (report dated May 2000).

The New Mexico Hazardous Waste Management Fee Regulations specify in 20 NMAC 4.2.201.7 that "[e]very facility which submits a corrective action document for review shall pay a Corrective Action Document Review Fee... NMED shall review and approve or disapprove a corrective action document within one-hundred eighty (180) days after the document is accepted for review by NMED and the applicable fee has been assessed and paid." Pending the Permittees' payment of the appropriate fees, NMED is prepared to approve (with comments) the above two

documents. Attached are the applicable fee worksheets for these documents. Timely payment will expedite issuance of NMED comments and approval.

If you have any questions regarding this matter, please contact William Fetner at (505) 827-1560, x1038.

Sincerely,

Steve Zappe
NMED WIPP Project Leader
Hazardous Waste Bureau
